Notice

Business forecasts and all statement related to the future contained in this presentation are based on information currently possessed by the Company and on certain assumptions which we judge to be rational. Actual business performance may differ greatly depending on a variety of factors. The following is a list of major factors:

- •Economic conditions in key markets (Japan and the rest of Asia), rapid changes in consumption trends and supply-demand balance for products
- •Sharp fluctuations in the dollar-yen exchange rate
- Substantial fluctuation in prices in capital markets
